PROFESSIONAL SUMMARY

Motivated **Software Developer** with hands-on experience in Java, Spring Boot, React, MySQL, REST APIs, HTML, CSS and JavaScript through academic projects and internship. Strong understanding of Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), SQL and Database Management. Passionate about building scalable software solutions and continuously learning modern technologies.

TECHNICAL SKILLS

Programming Languages

Java, JavaScript, SQL, C

Web Technologies

HTML5, CSS3, REST APIs

Tools

Git, GitHub, Eclipse IDE, VS Code

Frameworks

Spring Boot, Spring Security, React

Database

MySQL

Core Concepts

OOP, DSA, MVC Architecture

INTERNSHIP

Java Developer Intern

June 2025 – July 2025

Codec Technologies India

- Completed one-month internship focused on Java, Spring Boot and MySQL.
- Developed backend modules and worked with database integration.
- Built REST APIs and gained practical exposure to software development.

PROJECTS

Employee Management System

Tech Stack: Java, Spring Boot, React, Spring Security, MySQL, REST APIs

- Developed a full-stack Employee Management System using Java, Spring Boot, React and MySQL.
- Implemented secure authentication and role-based authorization using Spring Security.
- Performed CRUD operations and optimized MySQL database interactions.

Digital Grievance System

Tech Stack: Python, React, Spring Security, MySQL, REST APIs

- Developed a grievance management system for complaint registration and tracking.
- Implemented secure user authentication and role-based access control using JWT.
- Integrated a React frontend with a Python (Flask) backend through REST APIs for a seamless user experience.

EDUCATION

Bachelor of Technology (Computer Science & Data Science)

Jawaharlal Institute of Technology, Borawan

2022 – 2026

CGPA: 8.18

CERTIFICATIONS

- Java Certification – Codec Technologies India
- Project Completion Certificate – Tata Consultancy Services (TCS)
- Internship Completion Certificate – Codec Technologies India
